

UNITED STATES DISTRICT COURT

DISTRICT OF NEVADA

Jesse Bailey IV,  
Petitioner

Case No.: 3:25-cv-00054-ART-CLB

v.

Scheduling Order

State of Nevada, *et al.*,  
Respondents.

On February 11, 2025, the Court granted Jesse Bailey IV's request to appoint counsel and appointed the Federal Public Defender to represent Petitioner. (ECF No. 4.) On March 13, 2025, Alicia R. Intriago of the Federal Public Defender's Office appeared on behalf of Petitioner. (ECF No. 7)

It is therefore ordered that counsel for Petitioner meet with Petitioner as soon as reasonably possible to: (a) review the procedures applicable in cases under 28 U.S.C. § 2254; (b) discuss and explore with Petitioner, as fully as possible, the potential grounds for habeas corpus relief in Petitioner's case; and (c) advise Petitioner that all possible grounds for habeas corpus relief must be raised at this time and that the failure to do so will likely result in the omitted grounds being barred from future review under the rules regarding abuse of writ.

It is further ordered that counsel for Petitioner file an amended petition for writ of habeas corpus within 90 days, which includes all known grounds for relief (both exhausted and unexhausted).

1 It is further ordered that Respondents file a response to the petition within  
2 90 days of service of the petition. Petitioner will then have 45 days from service  
3 of the answer, motion to dismiss, or other response to file a reply or opposition.  
4 Any other motions will be subject to the normal briefing schedule under the local  
5 rules.

6 Any response to the petition must comport with Habeas Rule 5.  
7 Additionally:

- 8 1. Any procedural defenses raised by Respondents in this case must be  
9 raised together in a single, consolidated motion to dismiss. In other words,  
10 the court does not wish to address any procedural defenses raised herein  
11 either in seriatum fashion in multiple successive motions to dismiss or  
12 embedded in the answer. Procedural defenses omitted from the motion to  
13 dismiss will be subject to potential waiver.
- 14 2. Respondents must not file a response in this case that consolidates their  
15 procedural defenses, if any, with their response on the merits, except  
16 under 28 U.S.C. § 2254(b)(2) as to any unexhausted claims clearly lacking  
17 merit. If Respondents do seek dismissal of unexhausted claims under §  
18 2254(b)(2): (a) they must do so within the single motion to dismiss, not in  
19 the answer, and (b) they must specifically direct their argument to the  
20 standard for dismissal under § 2254(b)(2) set forth in *Cassett v. Stewart*,  
21 406 F.3d 614, 623–24 (9<sup>th</sup> Cir. 2005). In short, no procedural defenses,  
22 including exhaustion, should be included with the merits in an answer.  
23 All procedural defenses, including exhaustion, must instead be raised by  
motion to dismiss.

1 3. In any answer filed on the merits, Respondents must specifically cite to  
2 and address the applicable state-court written decision and state-court  
3 record materials, if any, regarding each claim within the response as to  
4 that claim; and Respondents must file a set of state court exhibits relevant  
5 to the response filed to the petition. Those exhibits must be filed  
6 chronologically and be accompanied by a separate index of exhibits  
7 identifying the exhibits by number. Each exhibit must be a separate  
8 attachment, and the CM/ECF attachments that are filed must be  
9 identified by the number of the exhibit in the attachment. The purpose of  
10 this provision is to allow the Court and any reviewing court thereafter to  
11 quickly determine from the face of the electronic docket sheet which  
12 numbered exhibit is filed in which attachment. Respondents must send a  
13 hard copy of all pleadings and indices of exhibits ONLY filed for this case  
14 to the Clerk of Court, 400 S. Virginia St., Reno, NV, 89501, directed to the  
15 attention of "Staff Attorney" on the outside of the mailing address label.

16 DATED: 17 March 2025.
